**EDITORIAL FOCUS**

There is a compelling need to investigate and proffer solutions to the numerous economic, cultural, attitudinal, social and political problems in Africa and in the world at large. Researchers of various backgrounds have shown commitment and enthusiasm in finding answers to so many perplexing issues confronting the society. Such issues include electoral violence, corruption, political instability, insecurity, religious bigotry, social unrest, maladministration, conflicts and wars.

This journal investigates and proffers solutions to societal issues of interest to the social and management sciences; on the African continent and in the world at large, through well-researched articles from contributors. The journal is a bi-annual journal that welcomes good articles from scholars in the domains of social sciences, management sciences, arts and humanities.

In line with its aim of identifying, investigating and preferring solutions to societal problems, the journal accepts and publishes articles that show painstaking investigation, detailed analysis and provision of workable solutions to identified problems. It publishes articles from and about different countries and continents.
